Scalable Strength for Serious Kitchens.

ELECT MAX delivers powerful induction heating for fast, energy-efficient cooking. Features intuitive touch controls with timers and safety protection. Built with durable stainless steel for easy cleaning and long-lasting use. Available in flexible sizes to suit any commercial kitchen.

High-Powered Induction Heating

Delivers rapid, energy-efficient heating with precise temperature control.

User-Friendly Controls

Touchscreen or touch and knob interfaces with timers and safety features.

Durable Stainless Steel Construction

Commercial-grade 304 stainless steel ensures longevity and easy cleaning.

Versatile and Scalable Design

Multiple sizes and configurations to suit various professional kitchen needs.
